Breaking news ONEWAY Expansion Drive

----- TAMZIN FLOR
Our 1st renovation on the ONEWAY 4 bedroomed house took place in March 2021 due to the demand for placement needed. It was successful and shortly after the renovation took place the rooms were filled. We are running our 2nd expansion drive to have 2 more bedrooms built making us able to help 4 more gentlemen with their recovery. This drive is largely focused at funding coming from our community. We are needing to raise R47 375,07. This covers the most important building costs. If you'd like to pledge towards the ONEWAY Expansion Project use the SnapScan below.
